with every step
and every stride

over the rivers
along the sea
i am a peacewalker
if you're a peacewalker
then walk with me

the world is ours
don't you agree

oh we remember where we stand
and oh the road is tough and long
but oh together we stand strong

over the highs
and through the lows

i am a peacewalker
i'll make sure
everybody knows

i am a peacewalker
i am a peacewalker
if peace is willed
then it will be
i am a peacewalker
if you're a peacewalker
then walk with me
