LIVE RACK QUESTIONS

Julian Bohn
0630888078
julbohn@gmx.de

NOTES

- Lead vocals and vocal FX are processed in Ableton; the wet signal is sent to FOH.
- FRÉ runs her own in-ear monitoring (IEM) within the live rack.
- Frequencies are used for wireless IEM and wireless mic.
- The choreography works without a dedicated dance floor, but one is preferred.

REQUIREMENTS FROM THE VENUE

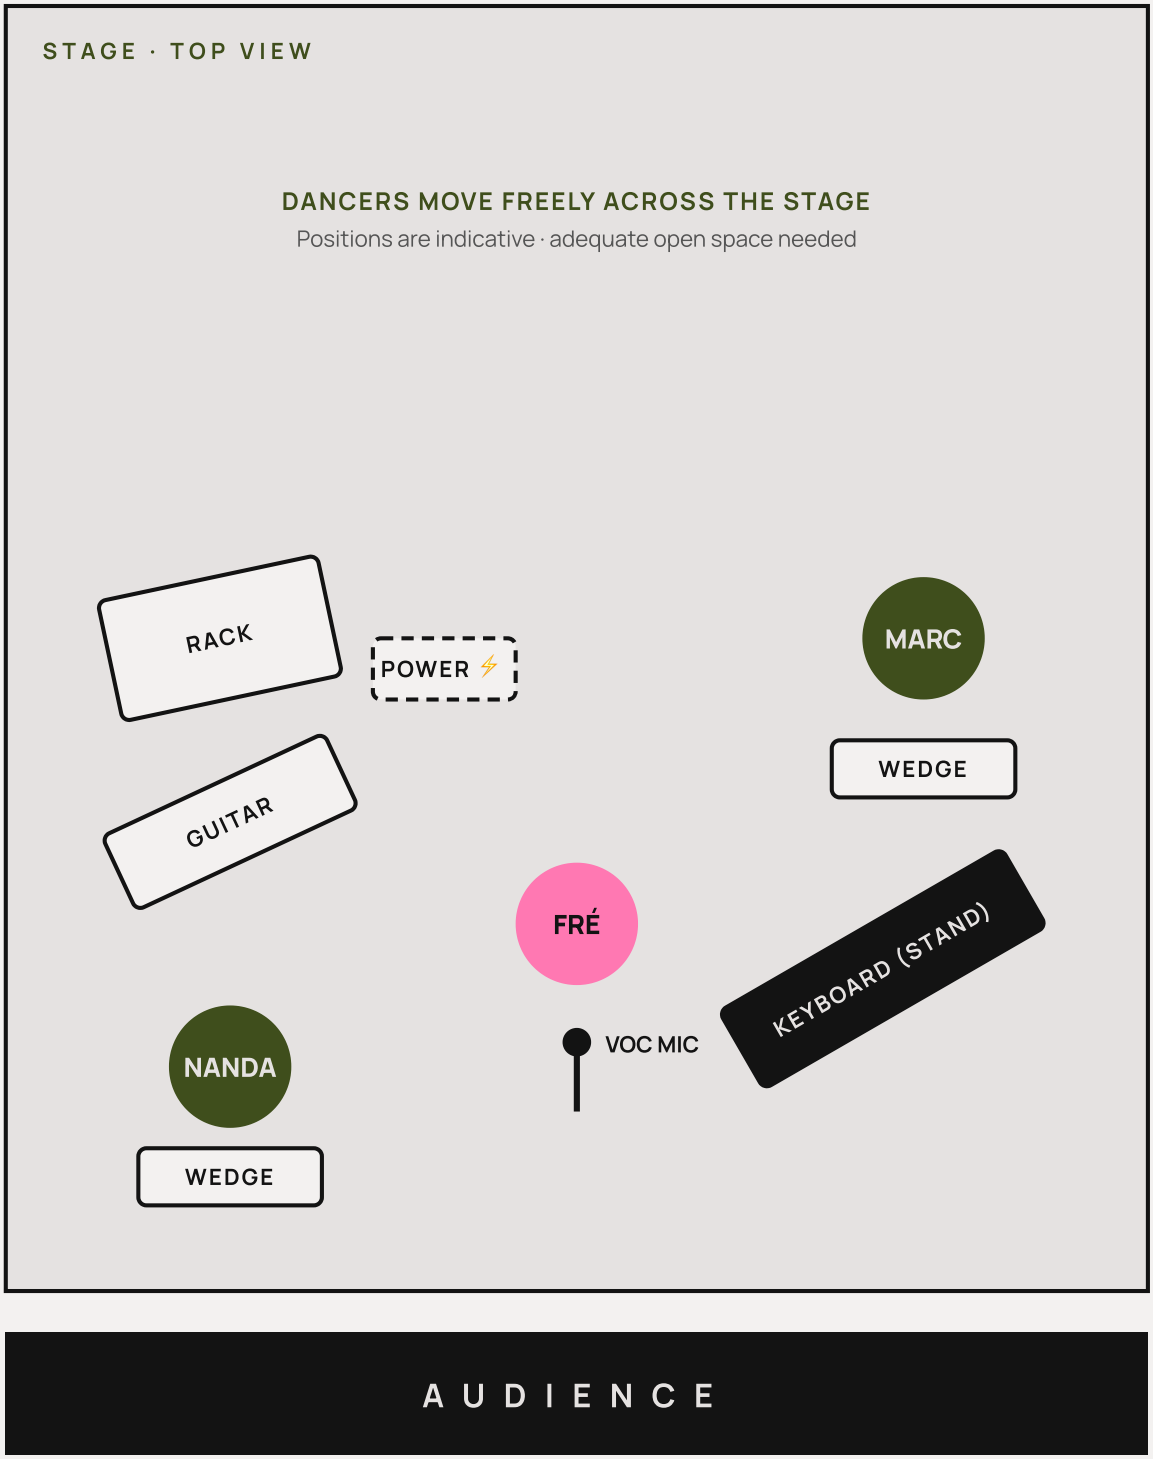

- Keyboard stand (high enough to play standing)
- Box, hardcase or stand for the live rack
- 2x mic stand
- 2x vocal mics (for the dancers)
- 5x power outlets
- 2x wedges for the dancers (they don't use IEM)
- Enough open stage space for safe movement

01 *Outputs*

#	SIGNAL	SOURCE
1	MUSIC (BT, guitar, keys) L	Output 3 (XLR)
2	MUSIC (BT, guitar, keys) R	Output 4 (XLR)
3	DRUMS L	Output 5 (XLR)
4	DRUMS R	Output 6 (XLR)
5	LEAD + FX L	Output 7 (XLR)
6	LEAD + FX R	Output 8 (XLR)
7	BVOX 1 (Marc)	Venue mic
8	BVOX 2 (Nanda)	Venue mic

Outputs 1 to 6 come from the live rack; 7 and 8 are the dancers' vocal mics.

02 *Stage plot*

Green hospitality

TOURING WITH THE PLANET IN MIND

As co-founder and spokesperson of Music Declares Emergency NL, FRÉ is committed to reducing the environmental impact of touring, and warmly invites every venue to join in this effort.

Please avoid unnecessary plastic packaging and single-use items in the dressing room and catering.

ON ARRIVAL / DURING SOUNDCHECK

- Coffee and tea, served in reusable cups or glasses.
- A water station to refill our own reusable bottles (please no plastic bottles).
- Plant-based milk options.

DURING THE PERFORMANCE

- FRÉ and the dancers use their own refillable bottles on stage.
- If the dressing room is not near the stage, please provide a reasonable amount of drink tokens/coins for post-show hydration for the whole travelling party.

DRESSING ROOM

- Drinkable tap water, or a glass bottle/pitcher with fresh tap water.
- Herbal tea (ginger or mint preferred) and a kettle (please don't pre-fill).
- A small plate of fresh, organic and local fruit and vegetables (no plastic packaging).
- Assorted chilled beer, preferably local/organic and in cans.
- Assorted chilled non-alcoholic, low-sugar drinks (e.g. kombucha, sparkling water, water kefir).
- 1 bottle of chilled sparkling wine (organic if possible).
- 4 drinking glasses.
- 4 clean towels.

Dinner

- A warm, vegetarian or vegan, gluten-free meal for the travelling party. Fresh, organic and locally sourced where possible.
- Traces of gluten are fine, none of us are coeliac.
- Drinks with dinner in line with the dressing room requests.
- No fast food; nutritious, wholesome meals preferred.
- If a buyout is provided, please share a list of organic supermarkets or vegetarian/vegan restaurants within walking distance.

DIETARY REQUIREMENTS	Vegetarian or vegan · gluten-free · no refined sugars

Thank you for your cooperation!
By working together, we can make live music more sustainable.
